

# EFM POLICY

**TITLE:** **FACEBOOK PAGE.**

**PROPOSED:** June 2023

**APPROVED:** 16 November 2023

## **BACKGROUND:**

EfM has a Facebook page **EfM Education for Ministry NZ**. A lot of what is posted has been links to other internet sites. Some guidelines on what is permitted are required.

## **PRINCIPLES:**

### **Page Ownership**

The EfM administrator will be owner of the page.

One other person shall have "Facebook access" to the page. This gives them the same rights as the owner. Currently this is Jean Malcolm.

The page owner or other people with admin access may remove posts that are deemed inappropriate and not fitting the EfM Kaupapa.

### **Posting rights**

All trainers will be given posting rights if requested. The board may agree to other people having rights to post content. These people will be given "Task Access". There are currently no people with this access.

### **Externally sourced content**

Content not sourced from EfM (New Zealand or Sewanee) will be permitted if it:

- Relates to Theology in the public place, spiritual growth or spiritual formation
- The post should be a link to an external source (another Facebook page or an internet site).
- A brief synopsis will be included in the post
- The person making the post has read the material being linked to.
